UBUD . BALI

UBUD ACTIVE

This three-night package promises an action-packed adventure with three unrivalled and fun ways to discover Bali's backcountry.

The Bale Timbang Trek winds through misted villages and paddy fields past local temples, all the way to our sister property, COMO Shambhala Estate at Begawan Giri. The whitewater rafting descent of the Ayung River is a must for thrill seekers which also provides a unique view of Bali's natural scenery, wildlife and exotic plants. One final challenge is an exhilarating mountain bike ride down from the volcano of Mt Batur. Having been dropped off on the rim of the spectacular crater, you can enjoy a delicious freewheel all the way back to Uma Ubud. Refuel with a hearty, healthy daily breakfast (one lunch and dinner are also included) and enjoy the respite of the COMO Shambhala Retreat with a 60-minute massage per guest plus a private 60-minute Yoga class.
