UBUD, BALI

UBUD AND BEYOND DISCOVERY

This six-night package is for travellers wishing to immerse themselves fully in Bali's culture and landscape while also enjoying meaningful respite in the calm environs of Uma Ubud. Our Uma guides are on hand to accompany guests on two distinct cultural day tours.

Our Ubud Discovery Tour allows you to experience the sacred temples of Pura Gunung Lebah (healing), Goa Gaja (elephant cave) and Yeh Pulu (holy spring). Explore Ubud Palace and the marketplace, then visit Agung Rai Museum of Art, Neka Art Museum and the renowned mask carver, Pak Muka, in his studio. Our Kintamani Temples and Volcanoes Tour culminates in the view across the crater of smoldering Mt. Batur. Along the way we visit the temples of Gunung Kawi and Tirtha Empul and the lush gardens of Sai Land Agritourism Centre. On the crater rim perch the temples of Ulun Danu Batur and Pura Puncak Penulisan. From here we wind down through the tumbling rice terraces of Tegallalang interspersed with colourful craft shops. Cookery and batik classes offer further insights into Balinese life, beliefs and culture. There is also the opportunity to explore the striking countryside on a guided morning walk among the rice paddies, and a whitewater rafting descent of the Ayung River. The Balinese-inspired cuisine of the resort is yours to enjoy, with dinner and lunch included on two days, as well as daily breakfast. Finally, hole up in quiet seclusion and enjoy a complimentary one-hour COMO Shambhala treatment per guest at our holistic Retreat overlooking the famous Tjampuhan ridge.
