

OUR GIFT TO YOU

Cocoa Island is a small, private island resort designed for those seeking an easygoing, foot-in-the-sand experience. The rich, warm waters and bountiful coral also promise some of the world's best beaches, snorkelling and diving.

Wake up to an empty horizon from your over-water bungalow. As evening approaches, watch a tiny fishing boat ply the cobalt ocean. Cocoa Island offers indulgent therapies, Yoga, diving, gourmet cuisine and exciting excursions.
