

parrot cay

In just a few hours you can be on a 1,000 acre private Caribbean island enjoying the gentle lapping of the turquoise waters on the cotton-white sand beach.

Here the average temperature is 85 - 90 degrees in the summer, and the water is a lovely 82 - 84 degrees.

Parrot Cay combines nature - 1,000 unspoilt acres, a mile-long powdered beach - with relaxed luxury and the award-winning COMO Shambhala Retreat, which offers a range of holistic, Asian-inspired therapies.

The island's two restaurants serve gourmet cuisine as well as organic, healthful COMO Shambhala cuisine.

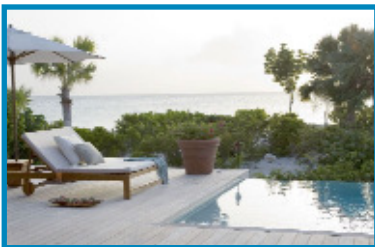

Accommodation, in whitewash with chic teak finishing, includes beachside houses and villas. The island also features a collection of privately owned homes, located away from the main resort, offering guests the utmost privacy and security.
