Cook Islands Golf Open Rules And Conditions

The rules in accordance with the Royal & Ancient will apply.

Local Rules as per the official notice board of the Rarotonga Golf Club and on the back of the score cards will apply. Please ensure you familiarise yourself with these rules before play.

All players must be financial members of an approved and registered Golf Club. All players must also have an official handicap.

Starting Times

All players must register with the starter 10 minutes before their posted Tee time.

If the player arrives at the Tee ready to play, within 5 minutes of their posted Tee time, they will incur a 2 stroke penalty.

Any player arriving at the Tee later than this will be disqualified (In the absence of circumstances warranting waiving of the penalty of disqualification)

Out Of Bounds

All Out Of Bounds are marked with oil lines or white stakes along the course perimeter.

There is an internal Out Of Bounds on holes 6 and 15 on the left hand side of the fairway. This is marked by an oil line.

Rules Disputes

If a referee has been appointed by the Tournament Committee, their decision shall be final.

All disputes must be lodged with the Tournament Committee prior to the handing in of your card. (Exception: If the rules infraction was made without prior knowledge of handing in of the card.)

Suspension Of Play

In the instance of inclement weather and the Tournament Committee deciding to suspend play, each player must discontinue play immediately and shall not resume play until the Tournament Committee has ordered resumption of play.

The player may mark and lift their ball in accordance with rule 6-8. If the committee decides the course is unplayable, all scores will become null and void for that round.

Play-off

The play off will be played immediately after the last player in that division has completed their round and the scores have been verified by the Tournament Committee.

To avoid disqualification, the Tournament Committee requests that if you are in contention, you are available to play immediately after the leading group has completed their round.

In the situation of a play-off, the tie will be decided by the best Gross over three holes: Holes 16, 17 & 18. If at the end of the three holes, the tie remains, a sudden death play off will commence from hole number 1.

For all rules and conditions of this tournament, the Tournament Committee's decision is final.
